HARRIET THOMPSON

WEB DEVELOPER

I'm a hard-working web developer with 2 years of full stack experience. I enjoy working in a diverse team and pride myself on being a fast learner with a flexible attitude. I strive to work in an environment that promotes creativity and innovation. I am looking to be part of a talented team that works together to build something they really care about.

WORK EXPERIENCE

Junior Full Stack Developer
Digital Lab at BC Children's Hospital | Jan 2020 - Apr 2021

- Project lead for Seizure Action Plan app built in React/Node.js/GraphQL/MongoDB with Cypress tests. This app aims to improve treatment of seizure disorder by replacing complicated seizure action plans on paper with an easily accessible digital format for patients, caregivers and clinicians.
- Training and mentoring 5 new interns.
- Working with both REST API and GraphQL.
- Working across numerous projects, gaining knowledge in other languages and frameworks such as Python, Angular and Jest testing.

Web Developer Intern
Digital Lab at BC Children's Hospital | Aug 2019 - Dec 2019

- Worked primarily on a data visualization app built with React, D3 and anime JS. This sharpened my knowledge of React, SVGs, animations and charting libraries.
- Day-to-day bug fixes both front-end and back-end.
- Built confidence in Git best practices.

EDUCATIONAL HISTORY

Web Development Bootcamp
Lighthouse Labs | Apr 2019 - Jul 2019

A full-time bootcamp, covering topics including JavaScript, Node.js, React, Ruby, MongoDB and PostgreSQL.

University of Durham
Combined Honours in History & English Literature | Oct 2009 - Jun 2012 | 2:1
